Due before the start of the class on Thursday, February 26

Please read Section 3.1 of the textbook before starting on the problem set.

Written Assignment:
Section 3.1, exercises 2, 6, 12, 13, 24, 26.

The homework must be legible, and written in connected sentences that explains what you are doing. Just the answer (whether correct or not) is not enough. Please put your name on every page and staple the pages together. Homework should be handed in on time, late homework will not be graded.
