Extra Credit
Due 3/24/14

Calculus I Section 4
Rob Castellano

This extra credit assignment is due before class on March 24. You can put it in the homework box. I expect this assignment to be done carefully and completed perfectly or near perfectly. If done appropriately, I will replace your lowest homework, written homework, or quiz grade with two perfect scores. Thus, this can be up to a 2% swing on your overall grade.

1. Problem 19 in the “Problems Plus” section after Chapter 3 (page 271)
2. Problem 20 in Problems Plus
3. Problem 31
