Questionnaire for March 26

Name: _____

Schumann's *Carnaval* consists of miniatures, what are known as "character pieces."

Listen to each of them, and write in Column A a very brief description of a musical gesture, and in Column B an equally brief description of the emotional mood or affect of the piece.

I have filled in the first one to start you off.

Note that in two cases, there are two pieces in the same track.

	A	B
